

**ADULT LEARNING INSTITUTE
Fall 2010**

TO PROSPECTIVE ALI MEMBERS:

We are delighted that you are considering joining the Adult Learning Institute (ALI). Our members find it a marvelous resource for mental stimulation and peer sociability.

ALI at O.C.C., Orchard Ridge Campus, is unique in that it is a fully member-run organization: We are responsible for our own financial, clerical and programming functions. While we use facilities generously provided by Oakland Community College at the Orchard Ridge Campus, the College provides no other support. Because the program is based solely on the efforts of its members, all members are urged to become involved in its operation. Some members serve as course teachers or facilitators. Others set up and operate audio-visual equipment, serve on the Hospitality Committee, write/type letters, prepare materials for publication, contact potential presenters, keep membership records and our mailing list, to name just a few tasks.

Fortunately, we have been able to avoid having rules requiring membership help, and the response of our current members has provided us with timely and creative leadership and assistance. However, the size of our membership is limited to 230, so we believe every member should contribute in some way to the success of ALI. Please keep the above in mind when making your decision to register and when completing the enclosed questionnaire.

There is another side to helping out. IT'S FUN! You'll meet intelligent, creative people who enjoy learning and working together. Come join us!

Please return your questionnaire with your registration and check.
